

DNA ORDER FORM

To order a DNA hair sample kit, please complete this form and submit with your check or money order (U.S. Dollars) to the FSH Registry. If your horse is not FSH registered, registration must be completed before a kit can be sent.

The Registry provides DNA testing at a discounted rate of \$45.00 through UC-Davis in California. UC-Davis will transmit the results of your DNA Report directly to the FSHR. Upon receipt, we will mail you a copy of the report.

Your hair kit will include:

- Bar-coded hair sheet with horse to be tested identified
- Instructions on how to pull hair and mail sample to UC-Davis.
- Pre-addressed, stamped envelope to FSHR for sample confirmation.
